Blessedness of the Faithful

As we celebrate this beautiful feast of the Blessed

WEEKLY MEDITATION for the Feast of the Assumption

Mother, we can notice that the *blessedness of those who believe* is a central theme of the Gospel.

However it is not simply a matter of believing, but of believing and acting on that belief. Mary is blessed, not simply because she believed, but because she acted on that belief. For her, religion was not a matter of

mere sentimentality. It is something to be converted into deeds. Faith doesn't always make things easy. Indeed, the opposite is more likely to be the case. It's because we have Faith that we refuse to give up. A person with Faith never gives up. We too will be blessed if, like Mary, we hear the Word of God and act on it.

WISDOM'S CORNER

For each of us life is a journey.
 The beginning of this journey is in the womb,
 And death is not the end but the destination.
 It is a journey that takes us from youth to age,
 From innocence to awareness,
 From foolishness to wisdom,
 From weakness to strength
 and often back again
 From loneliness to friendship,
 From pain to compassion,
 From fear to faith,
 From defeat to victory
 and from victory to defeat,
 Until, looking backward or ahead,
 We see that victory does not lie
 at some high point along the way,
 But in having made the journey,
 stage by stage.

Old Hebrew Prayer

THOUGHT OF THE WEEK

"I remember my mother's prayers,
 and they have always followed me.
 They have clung to me all my life."

—*Abraham Lincoln*

Wise people speak wisely

The Mother of Us All

Dear Friends,

PASTOR'S DESK

This Sunday, in every part of the world, people are gathering around Mary. At times we may have over-mystified her, or carried her into legends and stories, and at times we ourselves do not even know all the names and titles we have bestowed upon her.

But, regardless of our approach, Mary, Miriam from Nazareth, is a gentle, special being of our world. She became an important figure in history by saying *YES* to God. And this in turn led her to become the best known mother in human history. Mary still remained an ordinary and humble woman of Nazareth, who suffered much, but inherited heavenly joy. Mary is known and recognized for a few things:

- She said yes to God and followed him with unconditional faith.
- She is a woman of silence. Mary is quiet in all the New Testament texts and this silence led her to the art of listening.
- She is the personification of incarnate love that suffers but knows that evil would not have the last word in any life.
- Mary came down to her children throughout history as the mother who cares for the world and for individual souls.

Her caring soul depicts her majestic motherhood with universal proportions. Let us walk with her. When you come close to Mary, you will fully understand the presence of peace and joy in your life.
