## WEEKLY MEDITATION for *Corpus Christi* Sunday

In today's Gospel, after speaking to the crowd and healing the sick, Jesus worked a great miracle to feed them. The miracle of the five loaves — when Jesus took the bread, gave thanks to the Father, broke the bread and gave it to feed the multitude — this prefigures the superabundance of the living bread he gives us in the Eucharist.

The early Christians met “to

break bread” at Mass, after having heard the Word of God. From that time on, the celebration of the Eucharist has continued, so that today we encounter it everywhere in the Church with the same fundamental structure: Word and Eucharist. It remains the center of the Church's life.

The faithful of the Church are

the Mystical Body of Christ. Jesus is in our midst. We hear him when the Bible is read. In Confession, he forgives

our sins and heals the wounds they leave. We are nourished by the Eucharist. And at the end of Mass we are sent forth as bearers of Christ to others, bearers of his sacrificial love.

## WISDOM'S CORNER

### Where's Jesus?

A very wealthy, elderly Catholic woman wanted to assure herself of being remembered. She had no children, and she decided that in order to be remembered she should have some type of impressive building erected and named for her.

She came up with the idea of donating the money to build a nondenominational chapel at a famous university. In making plans for this remembrance, she spared no expense, and donated every penny of the costly project. She made sure that it was a large, ornate structure.

When the building was complete she asked an old friend, who happened to be a Catholic priest, to give her his impressions of the building. The priest told her, “Well, it is a beautiful corpse!”

The lady was shocked, so the priest explained. “Your chapel is expensive and attractive. You have mosaics, stained glass windows, and an altar of great beauty, but where is the Blessed Sacrament? The place is dead without Jesus.”

## THOUGHT OF THE WEEK

**“Prayer is the world's  
greatest wireless connection.”**

Dear friends,

Every springtime, since 2006 we've been having St. Jerome Sox night.

Many children, families, friends and neighbors are brought together. Pleasant, relaxed, fun times abound. On the big scoreboard there are family and parish messages. It seems to me that everybody enjoys it very much.

This year our schoolchildren added a special flavor by singing the national anthem on the field. For them it was a big public event. And for us all as well.

The families were together. It was very good.

Why am I writing about this? For a simple reason because I think that it is very important for our community to be brought together: for the holy Mass on Sundays, for social and cultural events organized by our parish or school, etc. To build and guard togetherness, as well as the community, is highly important.

Therefore I encourage you again to take part in this community's life. Let us always be a part — belonging, not drifting, being involved, not separated.

In this community many of you made life-long friends. Your children especially did the same.

Gathered together, strengthened by the power of the Holy Spirit and love for each other, we are destined to succeed, to grow, to share joys and wonders. Let us concentrate on the good potentials, wonderful things, productive ideas fostering a spirit of service, respect and love as we head toward 100 years of St. Jerome Parish and 90 years of St. Jerome School.

Your thoughts and opinions are welcome.

Your Fr. Joe [jgrbes@gmail.com](mailto:jgrbes@gmail.com)

**SOX NIGHT** – We thank you all who joined us for St. Jerome Sox Night 2010. We are especially grateful and happy for our schoolchildren who sang the National Anthem. The Sox organization was happy too; they sent us a letter that reads as follows:

Dear Members of the Saint Jerome Elementary School Children's Choir,

On behalf of the Chicago White Sox, we would like to thank you for singing "The Star Spangled Banner" prior to our game June 1st. ... It was a pleasure working with your group.

You can see photos and see and hear video of the children singing on St. Jerome's Facebook page and at [www.stjeromecroatian.org](http://www.stjeromecroatian.org)

*Medjugorje Anniversary* — Every year we mark the important events that started in Medjugorje on June 25, 1981. We at St. Jerome's will celebrate with the Rosary and a Solemn Mass on Friday, June 25. Our special guest this year is Drew Mariani, the well-listened-to national talk show host on Relevant Radio. You are warmly invited to participate in this special celebration. More info to come.

We wish all our schoolchildren a happy and joyful summertime. Our school year ends Monday with the school Mass and the giving of report cards.

### St. Jerome's Pilgrimage to the Holy Land

St. Jerome Parish is heading towards its 100th anniversary in 2012. As a spiritual preparation for this great celebration, our parish is going on a pilgrimage to the Holy Land. This trip would take place during the first half of November 2011, which is 17 months from now. We will visit the most sacred places of our Catholic faith: Bethlehem, Nazareth, Capernaum, Jerusalem, Galilee, and others. The cost of the trip will be about \$3,000.00, for approximately 10 days. The price and dates will be confirmed as soon as we know the details of the trip. Included in the cost are the airfare, hotel accommodations, buses, daily breakfast and dinner, and all the sights of the Holy Land. This is a once-in-a-lifetime pilgrimage!

All who are interested in making this special journey should notify us **as soon as possible**.

### St. Anthony Novena continues this week

All Novena Masses are at 7 p.m. (except the two Saturday Masses, which will be at 5:30 p.m.). Come renew our parish's special dedication to St. Anthony of Padua and bring your special prayer request for St. Anthony. Our parish's novena Masses conclude with the Saturday, June 12 Mass at 5:30 p.m.

On the actual feast day of St. Anthony, on Sunday, June 13, come celebrate with an evening Mass at the Croatian Franciscan Monastery in Hyde Park, at 4848 S. Ellis Ave. The entrance to the Monastery grounds is on 49th Street, between Ellis and Drexel. The outdoor Mass (in the Croatian language) begins at 7 p.m., followed by the blessing of children with relics of St. Anthony. Refreshments served afterward.
