WEEKLY MEDITATION for the Feast of the Assumption of Mary into Heaven

Velika Gospa, the feast of the Assumption, the greatest celebration in honor of the Blessed Virgin Mary — today, on every continent, in every country, every Marian shrine is filled with pilgrims who are

close to this simple mother from Nazareth. This feast day makes us think about Mary's example and how she modeled so many virtues needed by us all: patience, kindness, faith, unselfishness, never-ending presence, forgiveness, and pure love.

We are, as limited beings,

always in need of more wisdom. Mary's example can help us in our everyday struggles and in our search for wisdom. May this year's feast be truly a guiding light to our everyday path, that we may experience the gift of peace and the presence of love. Let us open ourselves to those gifts!

WISDOM'S CORNER

HYMN TO
OUR LADY OF SINJ

O Lady of Sinj, Virgin most pure,
Glorious, O glorious proclaimed by God.
Earth's voices sing your praise and glory,
For you are Mother to your flock.
:/The glow of Heaven, is your crown,
O Lady of Sinj, our salvation be./:

You were the aid of your flock,
When the battle of Sinj did rage.
Extend to us your mighty hand,
Yet now in battle we are still yours,
:/Pray for us to persevere,
O Lady of Sinj, our salvation be./:

You are sweet hope through bitter night,
You are sweet balm for every wound.
Heavy is our yoke of woe,
Your people ask and seek your aid.
:/You are all life and joy to us all,
O Lady of Sinj, our salvation be./:

THOUGHT OF THE WEEK

"In trial or difficulty I have recourse to Mother Mary, whose glance alone is enough to dissipate every fear."

St. Therese of Lisieux

Gospa – Our Lady

Dear Friends,

The 105th feast of the Assumption in Chicago. What a long tradition. Many generations have been a part of this celebration. Thousands have been a part of the procession of our streets. Strangers have learned to pronounce the name, "Gospa," and "Velika Gospa." A sense of pride, worthiness, beauty, fond memories, and love have resulted from this long-standing tradition. And we are here once again.

Amid the celebration and outward symbols, Mary teaches us simplicity, silence, humility, and unselfish love.

As we walk with her, and follow her, we inherit the beauty of her heart, the sincerity of her spirit, the hope that never ceases, and the joy that is a reflection within us of the heavenly.

The celebration of Velika Gospa is a longstanding tradition because our mother always gathers her children around her; she always cares, listens to our prayers, shows us the way.

Let us become again a part of this tradition that leads us to a path which is beautiful and heart-warming. I invite you all to share this day with us so that we can all become stronger in our faith and strengthen the power of love within us, faith and love that define our lives.

May our Mother Mary protect us on our path and help us in our difficulties! May Our Lady of Grace protect our ways and bless our paths!
