ALL SAINTS

In a few weeks, we'll be sitting down to a meal and giving thanks for all of our blessings. Some of us may even spend the day at a shelter, preparing dinner for the homeless, and this is a good thing. But we would do well to remember that these shelters are open every day of the year, and just like on a Thursday in November, a meal must be prepared every afternoon. There are those among us who regularly schedule a day or two a week to serve or prepare these meals. They don't do it for recognition or self-fulfillment; they do it because it must be done. They often do such things in total anonymity; they are truly saints of today.

Today's Gospel reading from Matthew is Jesus' gift of the beatitudes. They are gifts because the word beatitude means happiness or blessedness. In detailing those who would receive such a gift, Jesus is revealing who really are saints among us: the poor in spirit, the sad, the meek, the hungry and thirsty, the merciful, the pure of heart, the peacemakers, and the persecuted. Each of these saints desires joy and happiness for all they encounter. In all needs, we find blessedness in Jesus Christ.

We are taught in the Catechism that the Church is "a communion of saints." This expression is defined first and foremost in the Eucharist, by which the faithful are united in one body. It also refers to all who have suffered in the name of Christ to better our lives. Today is the feast of All Saints, in which we recognize and give thanks for those who have gone before us preserving and promoting Christianity, some having paid the ultimate sacrifice for their beliefs. We are called to be saints for today. Will we answer?

SVI SVETI

Kršćani Istoka slavili su od 4. stoljeća spomen svih svetih mučenika 13. svibnja ili u nedjelju nakon Duhova. Rimski car darovao je papi Bonifaciju IV. (608-615) velebnu građevinu rimskog Panteona, koji već stotinu godina nije služio kao poganski hram. Papa je 13. svibnja 609. dao prenijeti kosti mučenika iz katakombi, sahraniti ih u Panteonu i posvetio je tu građevinu u crkvu svih svetih mučenika. Tijekom vremena razvilo se štovanje svetaca koji nisu mučenici, pa je papa Grgur III. (731-741) u bazilici sv. Petra na vatikanskom brežuljku dao sagraditi kapelu svih svetih. U njoj su se slavili svi sveti 1. studenoga. Papa Grgur IV. (828-844) odredio je da se u cijeloj Crkvi slavi jedan spomen svih svetih, i to 1. studenoga.

Smisao svetkovine vidimo u molitvama: u zbornoj ističemo da zajedno slavimo zasluge svih svetih i molimo da nam Bog udijeli veće obilje svoga milosrđa što je više naših zagovornika u nebu. U darovnoj molimo da se zauzmu za naše spasenje sveti koji su već postigli besmrtnost. U popričesnoj molimo da kao putnici na zemlji napredujemo u svetosti.

CROATIAN FRANCISCANS APEAL

Dear friends! For 115 years, we Franciscans have been serving in the USA and Canada. We founded and led many parishes, giving our lives to those who came to us and to whom we were sent to serve and to bring the Good News of Jesus Christ. Francis of Assisi was always an inspiration on how to live our lives in giving of ourselves unselfishly. To bring Christ always meant to bring peace. Working in many cities throughout this great continent, we knew that our mission would always be to care for people with great love.

We wish to continue the same mission: caring with love and giving of ourselves to the end. That is why we are reaching out to you and asking for your help with this mission so that we can continue to serve all of you and your families for years to come. You will soon receive a letter from us to your home address. Thank you in advance for your response and your kindness.

Your Croatian Franciscans

Za više detalja, javite se u naš župni ured.

SOLIDARNOST S HRVATSKIM FRANJEVCIMA

Dragi prijatelji!

Mi franjevci, već stotinu godina služimo na prostorima SAD-a i Kanade. Osnivali smo i vodili mnoge župe, darivali život svima koji su došli k nama i kojima smo mi bili poslani, i s radošću služili donoseći svima radosnu vijest Isusa Krista. Franjo iz Asiza uvijek nam je bio nadahnuće za život darivanja i nesebičnosti. Donositi Krista, za nas je uvijek značilo donositi mir.

Radeći u mnogim gradovima diljem ovog velikog kontinenta, znali smo da je naša misija uvijek bila brinuti se za ljude s ljubavlju. Želimo i dalje nastaviti istu misiju: brinuti se s ljubavlju u darivanju do kraja. Stoga vam se sada opet javljamo želeći da nam i vi pomognete na ovom putu kako bi i naša misija bila lakša i kako bismo u godinama koje dolaze mogli i dalje služiti.

Uskoro ćete dobiti pismo na kućnu adresu. Unaprijed zahvaljujemo na vašem odgovoru i vašoj dobroti.

vaši hrvatski franjevci
