*But the man who received one went off and dug a hole in the ground and buried his master's money. This servant was scared. He didn't want to take any risks and just wanted to play everything safe. As he confesses to his master, *Out of fear I went off and buried your talent in the ground.* And the master was not pleased. The other servants who invested the money he gave them were richly rewarded for their efforts to produce more. But this servant was punished for letting his fear rule the day.*

What factors are keeping us from making a return on God's investment in us? He has given us all life, and each of us also has a special collection of "talents" to make use of. We have certain gifts, skills, experiences, resources, and abilities that (though we may not often think about it) come from God. He calls us to make the most of these things, not just to take them for granted or bury them in the ground, so to speak. Our gifts are meant not just for our own enjoyment, but to help others, to spread truth and goodness and beauty to the world around us.

Sometimes, however, we fail to really capitalize on our potential. Laziness, distraction, or self-pity can get in the way if we are unwilling to put in the hard work to improve our natural gifts, if we allow ourselves to zone out with entertainment or frivolous pastimes instead of making good use of the time entrusted to us, or if we wallow in negativity by focusing on what we don't have instead of embracing what we do. Each moment is a gift from God. May we seize every opportunity to multiply the investment God has made in us so that we may be worthy to hear God tell us, *Well done, my good and faithful servant.*

### 33. NEDJELJA KROZ GODINU

Knjiga Mudrih izreka je djelo sastavljeno oko 500. godine prije Krista u kojoj je skupljena izraelska narodna mudrost kako bi se lakše prenosila i sačuvala. U liturgijskom tekstu za ovu nedjelju imamo završni dio kao hvalospjev idealnoj ženi, koja nije nedostižni ideal. U svjetlu Biblije žena nije otuđeno biće, ropkinja, samo ljubavnica, čak ni samo majka. Liturgijski tekst izražava glavne osobine vrijedne žene. Ona je marljiva radnica koja djeluje fizički i umno. Razumije se u trgovinu i kupovinu, poljodjelstvo, planiranje i organizaciju. Ponosna je domaćica te dobra i uspješna odgojiteljica djece. Ima srca za potrebne i siromašne. To su osobine koje proizlaze iz izgrađenog karaktera kroz postojanu vjeru u Boga.

Evandeoska prisposoba o talentima nam usmjerava misao prema činjenici kako mi ljudi nismo dogotovljena stvorenja, već obdarena brojnim mogućnostima koje trebamo razvijati i usavršavati kako bismo te svoje sposobnosti-talente ugrađivali u dobrobit drugih oko nas. Kod drevnih Grka riječ *tálanon* označavala je novčanu jedinicu kojom se moglo platiti 6,000 nadnica. Dakle, ne može se opravdati onoga koji nije htio ništa poduzimati misleći kako je primio "malo" - tek jedan talent. Mogao je i trebao je poslušati gospodara, ali nije se htio potruditi, pa upravo zato biva ukoren i kažnjen. U svjetlu odgovornog angažmana treba shvatiti i ove Isusove riječi: *Onomu koji ima još će se dati, neka ima u izobilju, a od onoga koji nema oduzet će se i ono što ima.* Onaj koji, primjerice, razvija svoju inteligenciju postaje oštroumniji, pametniji i mudriji, dok onaj koji se prepusti nebrizi i neodgovornosti postaje tuplji. Vjernički život treba biti prožet ustrajnim i odgovornim zalaganjem oko sposobnosti-talenata koje nam je dao Stvoritelj.

## FEAST DAY OF ST. LUCY

### PATRON SAINT OF SANTA LUCIA PARISH

On Wednesday, December 13, the feast day of St. Lucy, Virgin and Martyr is celebrated. There will be a vigil Mass at Santa Lucia church on Tuesday, December 12, at 7 p.m. Since St. Lucy is patron saint of those who are praying for the health of their eyes, there will be a special celebration of sacrament of the Anointing of the Sick.

*There is no need to wait until a person is at the point of death to receive the Sacrament of Anointing. A careful judgment about the serious nature of the illness is sufficient. The Sacrament may be repeated if the sick person recovers after the anointing but becomes ill once again, or if, during the same illness, the person's condition becomes more serious. A person should be anointed before surgery when a dangerous illness is the reason for the intervention. Old people may be anointed if they are in weak condition even though no dangerous illness is present.*

On Wednesday, December 13, the feast day of St. Lucy two Masses will be celebrated: 8:15 a.m. and 7 p.m.
