Emerson

Peter has been called a stumbling saint. He is a great consolation to us because courage fails us all. All of us are mere mortals, who are inconstant in our beliefs. We must learn to forgive ourselves momentary weaknesses and failures. We need to surmount these things and see the world in less rigid terms. We must not judge ourselves or others by momentary inconsistencies, but rather by commitment given over a long time. Jesus was well aware of Peter's faults, but he saw that in spite of everything, his heart was sound. Which meant he had the ability to love. And in the long run love is what counts.

IN YOUR PRESENCE

In Your presence morning comes,

In Your presence day is new.

Gentle Wonder, we adore.

In Your presence silence speaks,

In Your presence stillness breathes.

Awesome Mystery, we adore.

In Your presence peace enfolds,

In Your presence mercy flows.

Soothing Comfort, we adore.

In Your presence joy is born,

In Your presence hearts are one.

Loving Presence, we adore.

**A Matter
of Life**

The 7 Sins in the World:

Wealth without work; pleasure without conscience; knowledge without character; commerce without morality; science without humanity; worship without sacrifice; politics without principle.

THOUGHT OF THE WEEK

“No duty is more urgent than that of returning thanks.”

WISDOM'S CORNER How to count.....

- Count your blessings instead of your crosses.
- Count your gains instead of your losses.
- Count your joys instead of your woes.
- Count your friends instead of your foes.
- Count your smiles instead of your tears.
- Count your courage instead of your fears.
- Count your full years instead of your lean.
- Count your kind deeds instead of your mean.
- Count your health instead of your wealth.
- Count on God instead of yourself!

Velika Gospa Feast

Dear Parishioners,

We offer heartfelt gratitude and appreciation for the wonderful success of our special feast. We extend our thanks to...

all who attended the Novena and all who took part in the procession, thereby making our Velika Gospa celebration a special spiritual event honoring Our Lady with respect and devotion

the priests who so generously and sincerely gave of themselves by celebrating masses during novena and on the feast day

the many generous and dedicated people who worked so selflessly and tirelessly to prepare for and help out with the many tasks and activities involved, especially those who took off work and put aside their obligations to help make our feast a success

the societies, clubs, organizations, and the City of Chicago for their support, sponsorship, and participation

the church choir, lectors, altar servers, ushers, Eucharistic ministers, musicians, performers for their vital roles

those whose generous contributions of various goods, items, and monetary donations made so many features of this event possible and help to keep our parish thriving

Nothing of significance could have been accomplished without the loving sacrifice of all of these people. Thank you and may God continue to bless you with His mother's love and care! We have now entered the 100th year of our Velika Gospa celebration, which we will commemorate next year, August 15, 2006. Plans are already being made for this milestone occasion in honor of the Assumption of Our Lady.

A full financial report for the feast will be published after the final Velika Gospa committee meeting.
