### WEEKLY MEDITATION — The Baptism of the Lord

This feast in which we recall the baptism of Jesus reminds us of our own baptism and renews its grace within us. From a spiritual point of view, baptism is the greatest thing that can happen to us. What happened at the baptism of Jesus happens at our baptism too. During His baptism Jesus received the affirmation of His Father. He heard the wonderful words: 'You are my beloved Son; with You I am well pleased.' These words also set the seal of divine approval on the mission He was about to begin, the mission to bring sinners back to God. God also calls us by name. He says to each of us, 'You are my beloved son,' or 'You are my beloved daughter.' The Holy Spirit also descends upon us, because we too are given a mission: to participate in the work of Jesus. We are not called to save the world, or to solve all its problems. Nevertheless, each of us has our own unique call, in our families, in our work, in our world. Faithfulness to small, everyday tasks is our way of responding to the problems of our time and of participating in the work of Jesus.

**NATIONAL VOCATION AWARENESS WEEK** begins today. **Prayer for Vocations**

Loving God, How awesome are Your ways! Through your abundant love You bless us with gifts that can make our world holy and just. Dwell deep in our hearts that we may know how to share these gifts. Inspire many to respond generously to Your call to service in the Church. May the fire of Your love direct us on our journey that we may act justly, love tenderly, and walk humbly with You. We give you the praise and honor now and forever. Amen

#### THOUGHT OF THE WEEK

**“Happiness comes from within. It is in doing, not in having.”**

#### WISDOM’S CORNER *What do you see?*

An Oriental shopkeeper once had a parrot. One day when the bird knocked over a jar of precious oil, the shopkeeper became angry and hit the parrot on the head with a stick. From that day on the parrot could no longer speak, even though he had been very smart. His feathers began to fall out and soon he was bald. One day as the parrot sat on a shelf in the store, a bald man entered. When the bird saw him he became violently upset, flying around the shop, flapping his wings, and screeching. Suddenly, due to his agitated state, he regained his speech, asking the man: “ Did you, too, knock over a jar of oil and receive a blow to the head that made you bald?” Stanislaus Klem

*What is it that has to hit us over the head in order to make us realize the beauty of the world? Do we have to ruin things before we learn to satisfy our own curiosity?*

#### TSUNAMI AND US

The horrible natural *Tsunami* disaster that struck such a large portion of Asia last month is the heart wrenching concern of people all over the world. We at St. Jerome Parish want to contribute to the worldwide efforts to aid those affected by this catastrophe by donating money to this cause through the Catholic Charities agency. A special collection will be taken this weekend, January 8<sup>th</sup> and 9<sup>th</sup>. It is obvious that we need to help our fellow human beings because, no matter who we are, we are more alike than different. Every donation is welcome and appreciated. God bless you for your help!

**Second Collection Next Week** will be taken for the Church in Latin America. We thank you for your goodness and help.

**THANK YOU** to all who donated for Christmas flowers to decorate our church. The list of donors is in our bulletin. We apologize to Dragica Bajic and Ana Dosen whose names were omitted due to a technical error.
